Broadlands Swim Team - CSL Community Outreach Calendar

Community Outreach Mission

*Our mission for the Broadland's 2009 Swim Season is "Kids Helping Kids".
We would like to give our families the opportunity to talk with their children about other children and families in our community that are in need. We will be hosting multiple charity drives at each home meet that will focus on collecting donations requested by each local charity.
We encourage you to include your children in the collection of requested items.
We thank you in advance for supporting our Community Outreach program!*
